

HLTAID003 PROVIDE FIRST AID

Course OUTLINE

This is a nationally recognised statement of attainment. It will give you the knowledge and skills to provide a first aid response in a range of situations including community and workplace settings.

Why do this COURSE?

This course is the current recognised accredited course in generalised first aid course that employers require.

Topics

Our course has been designed to meet the requirements for the HLTAID003 Provide First Aid statement of attainment. You will learn how to:

- Conduct a hazard assessment and identify strategies to minimise risk
- Demonstrate safe manual handling techniques
- Assess airway, breathing and responsiveness of casualty
- Perform at least two minutes of uninterrupted CPR on both infant resuscitation manikin and an adult resuscitation manikin
- Follow the prompts of an Automated External Defibrillator (AED)
- Conduct a verbal secondary survey
- Apply first aid procedures for a wide range of situations
- Provide an accurate verbal report of the incident
- Respond to at least three simulated emergency scenarios contextualised to the candidate's workplace/community setting.

Course DELIVERY

Delivery is a combination of methods to cover the theory and practice requirements. These methods include:

- Self-paced study and support to develop your knowledge of the concepts above
- Face to face instruction in a simulated environment to give you that valuable practice.

Training rooms contain:

- CPR Mannequins,
- Bandages for splints, dressing wounds
- All other equipment required to cover topics

Assessments

As this is a nationally recognise statement of attainment, you will be required to successfully complete all topics to a standard to ensure that you can provide first aid competently. The assessments are:

- Knowledge based test which contain written multiple choice questions and scenarios
- Practical demonstration where you will be observed by one of our assessors

Recognition of PRIOR LEARNING (RPL)

You may have developed a number of skills in providing first aid, through previous employment opportunities, life experience or formal studies. If this is the case, then you may apply for recognition of prior learning and be assessed without training and practice.

Entry Requirements

There are no pre requisites into the HLTAID003 Provide First Aid. However, you must have a reasonable ability with language, literacy and numeracy to be able to fulfil the training and assessment requirements of this course.

Course DURATION

This course is across two days as follows:

- Pre workshop – you complete self-paced study and on completion submit your answers to Nurse training for marking
- 1-day workshop

Course LOCATION

All training is held at our office at Suite 106-108, 3 Railway Parade, Burwood NSW 2134

Cost of the course

Fees for this course are \$120 as negotiated by organisation (GST exempt).

Fees are payable by Cheque, Money order, Cash, Internet or Bank Deposit (See Enrolment Form for details).

Students CODE OF CONDUCT

Nurse Training prides itself on its professional reputation. It is important that you are provided with an environment that enhances your learning. At Nurse Training we will ensure that your time with us is an enjoyable and rewarding experience. Therefore, we expect that all our students will demonstrate a professional code of behaviour. Our Student Handbook summarises this intent.
